
Birches Group LLC and Fusion HR Solutions LLP Announcement Strategic Partnership

New York, NY and London, UK – January 23, 2018–

Effective immediately, New York-based Birches Group LLC (BG), a human resources consultancy specializing in developing markets, and London-based Fusion HR Solutions LLP (Fusion), an independent HR and remuneration consulting firm, have announced a new partnership.

Under the partnership, Fusion HR Solutions based in London, will offer their clients access to Birches Group products and services, including total compensation surveys in 155 high-growth and developing countries, and the Community™ suite of applications for job evaluation, skills assessment and performance management. In addition, the firms will collaborate on consulting assignments to deliver a wide range of human resources services to clients.

"We are extremely excited to have the chance to work together with Birches Group," said Jean-Baptiste Jugand, a Partner at Fusion HR Solutions. "Their coverage of emerging markets is the most extensive amongst global survey providers large and small, and we have worked with their surveys on the client side for many years. The Community™ applications are fresh and innovative, and we look forward to introducing them to our clients. Both firms have extensive client relationships with international public sector organizations and NGOs, and we are excited to leverage these relationships together."

Warren Heaps, a BG Partner, added: "Working with Fusion HR Solutions is a natural fit for Birches Group, and will raise the visibility of all of our products and services. The Fusion HR Solutions team are experienced HR strategists and practitioners and we are keen to work closely in serving our mutual clients."
